It's been said that some books are to be simply scanned, some are to be taken more seriously while others are to be studied in depth. However, all books are meant to provide positive learning experiences and to be enjoyed.

We would like to express our sincere gratitude to the principal of Bnos Zion of Bobov, for having assisted us in making this book, whose content will be helpful and enjoyable to all. We appreciate your input, comments, suggestions, valuable expertise and sage advice.
